

Crosspoint COVID-19 Update 8/16/20

Join us every Sunday at 9:30 AM & 11 AM, either On Campus or Online!

On Campus

- We have taken a number of precautions to protect everyone's **safety**. You will be greeted outside by our guest services team who will be waving signs and saying hello from a safe distance. As you enter the building the **doors will all be propped open**, inside you will find **hand sanitizing stations**. Masks are **required for staff and volunteers** and optional for everyone else.
- The seating in the auditorium has been **socially distanced** and we have divider noodles that you can place on the seats to separate your party from the next group. As you enter you will pick up **pre-packaged communion**. There will be **no passing of communion trays or offering baskets**. We encourage you to continue to give online at crosspointcape.com/give. If you prefer to give by check you can place your check in one of the **black offering boxes** located on the walls on either side of the doors as you exit the auditorium.
- **Café 204** is open serving a limited menu.
- **Kidpoint** is open for birth - 6th grade. We have enhanced safety procedures in place including temperature checks for all children and volunteers, hand sanitizer, increased disinfecting and sanitizing of surfaces and toys, etc. If you're not ready for your child to participate in Kidpoint, you are welcome to bring your children with you into the auditorium. A "Busy Bag" has been prepared for them and you can pick one up for each child near the Kidpoint self check-in area. Weekly Kidpoint lessons are also available online at Crosspointcape.com/KidpointOnline

Live Stream

- For those who are sick or aren't ready to join us, we want you to feel like you are on-campus worshipping with us so we are **live streaming** our service! You can find the live stream at 9:30 & 11 AM at online.crosspointcape.com
- If you miss the live stream on Sunday, **you will be able to watch the service on-demand beginning on Tuesdays** on YouTube, crosspointcape.com/messages or on the Crosspointcape app.

Student Ministry

- CPSM Student Ministry for middle and high school students is now meeting in person. High School students meet on Sundays from 6:30 - 8:30 PM and Middle School students meet on Tuesdays from 6:30 - 8 PM. For more information, visit crosspointcape.com/students.
