

Student Ministry Director Job Summary

Overview

Crosspoint is seeking a highly motivated individual who loves God, loves people and desires to share Jesus. This position is an opportunity to join a growing and healthy church and thriving Student Ministry in one of the fastest growing cities in the United States. Our city's public middle and high schools have over 15,000 students enrolled, many of whom need to be connected to Jesus and to a healthy student ministry that will help them grow as disciples. Through small groups, large group worship, teaching and fun, students have an opportunity each week to engage in relationships and learning. Crosspoint is looking for someone who will have the vision and drive to help us accomplish this mission.
